

Data Processors

Last Reviewed. 9 Sept 2024

When processing personal data relating to representatives of our customers, prospects or other data subjects we engage with (for example individuals who contact Hive Learning, interact with Hive Learning's website, subscribe to marketing promotions and review campaigns, or attend its events), we consider ourselves as a controller. Processors used in relation to this data are not sub-processing any data for which our customers are controller. The following companies may process customer representative data, prospect representative data, or other data subjects data for which Hive Learning is the controller. "Hive Learning" refers to Hive Learning Limited and its sister company Hive Learning, Inc.. The entities share services and infrastructure and are wholly-owned subsidiaries of Captured Holdings Limited.
